## RULES FOR THE 25 M CENTER FIRE PISTOL EVENT

These Rules are part of the Technical Rules of the ISSF and apply to all pistol events.

### 25 m Center Fire Pistol

Any Center Fire Pistol, except single shot, of caliber 7.62 mm to 9.65 mm (.30" - .38") may be used.

Pistol	Caliber	Other specifications
25 m Center Fire Pistol	7.62 mm – 9.65 mm (.30"-.38")	For safety reasons high power type "Magnum" ammunition is not allowed.

### 25 m Events

#### LOAD

In all 25 m events, the pistol must not be loaded with more than five(5) cartridges. Nothing else is magazine or cylinder. Only one (1) magazine may be loaded on any command "LOAD".

The Range Officer must give the command "LOAD". After the command "LOAD", the shooter(s) must prepare themselves within one (1) minute with the correct number of cartridges. Firing will begin on the appropriate command.

#### UNLOAD

In all events, after the series or stage has been completed, the command "UNLOAD" must be given. In any case, immediately upon completing a series (unless there is a malfunction of thepistol), or when ordered, the shooter must unload the pistol.

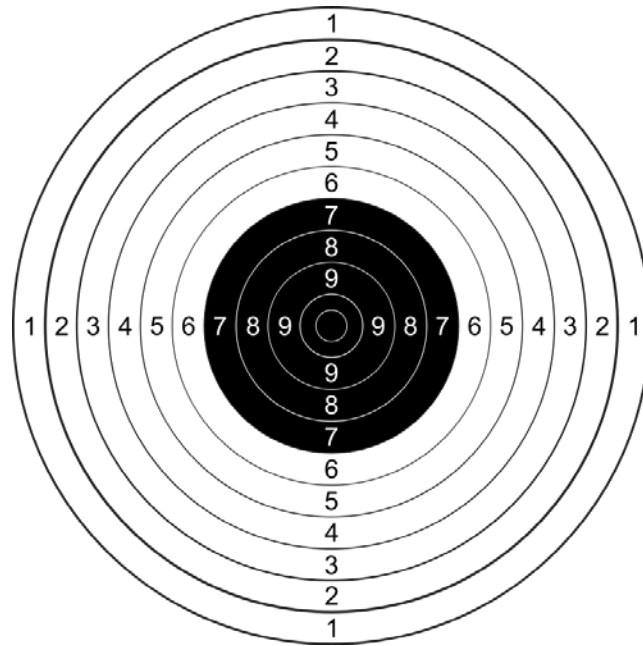

The event program is 20 competition shots divided into 2 stages of 10 shots each. Each stage consists of 2 series of 5 shots:

Number of series	Time limit for each series
Preparation Time	5 minutes
Sighting Precision shots five (5) shots	10 minutes
two (2) Precision series of five (5) shots	10 minutes
Sighting Rapid Fire shots five (5) shots	10 seconds
two (2) Rapid Fire series of five (5) shots	10 seconds

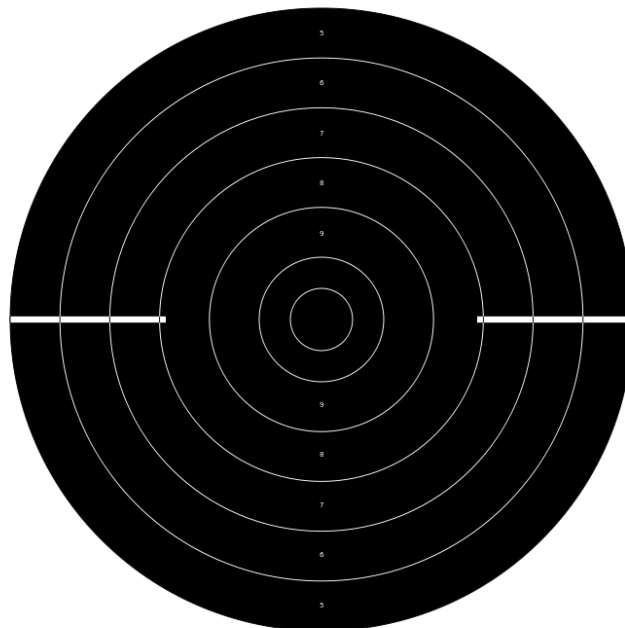

**Sighting shots** (unlimited in number) may be fired only before the beginning of each competition.
